EXPERIENCE

TEACHING ASSISTANT
DEVPOINT LABS
2015 - PRESENT

Assist the instructors in teaching students of DevPoint Labs the concepts and skills of web development. Aid the students in their in-class projects and homework. Provide feedback to staff on student progress.

PREPRESS TECH
ASAP Printing Corp.
2012 - 2015

Ensure customer-submitted artwork meets predefined criteria for high quality printing. Once artwork is ready, laid artwork out on sheets for the pressman, making sure paper and ink usage is efficient. Helped manage a team of 3 others.

PREPRESS TECH
Fusion Imaging
2011 - 2012

Provided graphic design and digital file quality assurance to ensure accurate printing of the highest quality. Helped head up new digital die cut department by receiving specialized training and then training others.

GRAPHIC DESIGNER &
DIGITAL IMAGING TECH
2002 - 2011

Working at Ferrari Color and Vision Graphics, designed and provided digital prepress for artwork produced on grand format print devices. Mediums such as billboards, tradeshow displays, vehicle wraps, banners etc... Assist in developing and implementing standard operating procedures to increase efficiency and productivity.
